An update for our indoor lap pool repairs and renovation project:

The final pieces of behind-the-scenes repairs are lined up. We have our interior ceiling being repaired starting the first of May with the contracted vendor, and then we can refill and reopen our Indoor Lap Pool. This includes our onsite team completing the necessary painting/cleaning/refinishing work. The estimated timeframe for physical reopening will be 3-4 weeks.

This has been a difficult project and we appreciate our members' patience and understanding as we work through this. Thank you again for being a loyal member of our facility. Please direct any questions to our Membership Team at (330)655-2377 extension 130.
